

Capability STATEMENT

Focus Offshore Services specialise in providing skilled labour hire solutions tailored to the onshore, offshore and marine sectors.

Our primary focus is on delivering highly trained and experienced personnel to support an encompassing solution for projects and operations, ensuring efficiency and compliance with industry standards.

CORE COMPETENCIES

- » Provision of qualified, competent and experienced personnel, from Management to support staff to meet the specific needs of our Clients and project requirements.
- » Rigorous recruitment and vetting processes to ensure high-quality staffing.
- » Flexible labour hire options, including short-term, long-term, and project-based staffing.
- » Efficient, highly-responsive to potential variable operations, demands and project scopes.

DIFFERENTIATORS

- » **Experienced Workforce** – Resource pool of competent professionals with extensive experience.
- » **Compliance** – All personnel hold required certification to ensure compliance with Industry standards.
- » **Personnel** – Capable of sourcing the “right” people for our Clients.
- » **Client-Centric** – Always focused on meeting and exceeding the expectations of our Clients.
